TORTURING

Skin, Scalp and Blood Humours

From Pimples to Scrofula, from Infancy to Age

Speedily Cured by Cuticura when All Elsa Fails.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurements, as in acne and ringworm; the awful suffering of infants and anxiety of worn-out parents, as in milk crust, tetter and salt-rheum - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolv-ent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures, blood purifiers and humour remedies of the civilized

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent, to cool and cleanse the blood. This complete local and constitutional treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when
